Check, Clean, Dry

Cransley Sailing Club supports the policy set by Anglian Water and the Department for Environment Food and Rural Affairs to help restrict the spread of non-native species in our water. The principle of Check, Clean, Dry already applies to craft and equipment leaving our premises and we expect our visitors to support this initiative by ensuring that their boat and equipment is washed down before they leave their club and are dry before being used on Cransley's water. As a guide there should be a minimum of two days drying time between wash down and being used on our water. Thank you for your co-operation.

Please return this form to Sarah Austin by 29th June with entry fee to: Cransley Sailing Club,
Farm Cottage, 10 London End, Earls Barton, Northamptonshire NN6 0EZ
